Dear Community Partner,

The Pool at Shepherd's Vineyard is a public membership-based pool located in Apex, NC just off US-64 and Old Raleigh Road near the Eva Perry Library and the Cary Auto Mall with more than 300+ active memberships. It is also the home of the Shepherd's Vineyard Killer Whales Swim Team.

The Shepherd's Vineyard Killer Whales Swim Team is a summer recreational team that competes in the Southern League of the Tarheel Swim Association. The past few years have been a challenge for everyone, but they are excited to be planning a regular swim season for 2022 opening at the end of May. They will hold dual meets on Tuesday evenings throughout the summer – and with over 200+ swimmers they will be competing against swim teams from Medfield, Prestonwood, Cary Park, Scottish Hills, Apex Breakers and Sunset Ridge - these Tuesday night swim meets are an integral part of the greater Apex and Cary communities and ensure lots of local exposure for your business to both home and visiting team members!

We invite you to support The Pool at Shepherd's Vineyard. Sponsorships will support the pool for current and future operational needs. We are a 501c7 organization so your sponsorship may be tax deductible as a qualified business marketing expense – but please verify that with your tax preparation professional. It is an excellent way to promote your business and show your support to the community.

Please confirm your sponsorship level so we can begin promoting you this season!

Thank you for your consideration.

Warm Regards,
Michael Spencer
